

SURFPLUGS™ – Ear Impression Procedure & Order Form

Finding your local supplier: Surfplugs™ are a custom made device that require an ear impression. This simple, painless procedure must be carried out by a qualified Audiologist. We can undertake this procedure free of charge if you visit us here at Surfplugs™ or for other areas of the UK and the world then visit our [Audiologist finder](#)

Impression costs: Ensure you request 'impressions' and not 'earplugs'. Earplugs are the finished product manufactured from the raw state impression & vary significantly in type, function & price. Impression costs will vary according to the audiologist and for some parts of the world. Typically expect to pay between £15 and £30 for the cost of this procedure.

Instructions to the Audiologist for impressions: Impressions should be semi-deep to include the second bend of the ear (A) & the entire concha, helix & tragal notch (please pay particular attention to filling the upper helix/crus portion (B) of the impression). Because Surfplugs™ are tight-fitting we do recommend that the material is also pushed gently into the ear to encourage a good snug fit. Impression material should be two-part silicone. Please give the impressions back to the client in a box suitable for postage back to Surfplugs™.

Instructions for postage: Package the impressions in the box provided by your Audiologist to avoid them becoming crushed or misshapen in the post. We advise that you also use a jiffy bag & select appropriate postage as we are not responsible for any lost or damaged impressions.

Colour options: Surfplugs™ can be either a solid colour or the more popular two-colour or three-colour swirl. All prices are the same. We feel that a colour swirled with white gives the best effect. Select up to a three-colour request on the order form. Graphics options are available (such as personalising your Surfplugs™ with your flags, images or a design, we cannot add any logo's or images from copyright sources) please contact us for details. What else do I get? All Surfplugs™ are fitted with a safety leash & supplied in a storage pouch with full fitting instructions. We keep a negative of your ear shape on file for 3 years & during this time you can order extra sets at £39.99 & includes **FREE postage** worldwide.

We can create most colours & designs, let us know what you want & we will try our best to create it!
